Estelle is a French fashion ‘It’ girl living between Paris and London. She’s a personal stylist, street-style frequenter and fashion entrepreneur, whose unique style has helped her grow a large and loyal fan base, both on and offline.

Estelle’s blog and Instagram are a source of inspiration to fashionistas around the world, where she mixes high street brands with some of her favourite high end designers to easily achieve day-to-day looks. What sets her apart, though, is her love of pattern, print and colour, as well as her effortless ability to style menswear, in a feminine way.

In 2020, Estelle opened the doors to Paradise Garage, a luxury multi-brand menswear store in Paris. The store currently stocks Charles Jeffrey, Kenneth Ize, Magliano, Chulaap, Nipoaloha, Telfar, Jetpack Homme and more.

Estelle is redefining classic french style codes, by adding a bold new twist. She’s redefining Parisian Chic. She’s the new fashion ‘It’ girl you need to know.
