

Coralie Joos

Coralie is a French model based in Paris, working in the industry for 20 years. While she was scouted as a youngster in Paris, Coralie continued her studies in textile design alongside her modelling journey, - both became great passions for her! She has worked over the years for both commercial and luxury clients worldwide - including Chanel, Dior, Lancôme and Garnier... recently she has shot several times for Zara Kids with her young son Clyde.

In 2018, alongside her modelling career, Coralie started working on her own clothing brand - "RIKY" is a unisex streetwear brand with oversized hoodies, jogging suits, t-shirts and embroidered bombers, quite contrasting to her typical "French / Parisian" look. So far there have been 4 collections and Coralie has worked on them all from start to finish.

Outside of work - Coralie loves to travel the world with her husband Gerrard and son Clyde. Her social media reflects her love of travel, along with her day to day experiences of being a full time model and working mother. One day Coralie dreams to be in the cinema.
