

Marley Altmann

Marley was born in England and shortly after moved to the Spanish Balearic island Ibiza, which is where she began her journey in modelling. At 19 years old Marley moved to Barcelona to study for a degree in fashion design; shortly after she was signed with her first modelling agency. Since then she has worked with many incredible clients on an international level from London to Turkey and Australia. Marley has been working with brands such as Triangl, Bershka, Charlotte Tilbury and Les Benjamins to name a few. Alongside this she has been featured in Vogue Turkey and Vogue Hong Kong.

Having been brought up in Ibiza, Marley is an adventurous person who enjoys the beauty that the island life offers - although she also enjoys the busy life of the city! Marley's social media reflects her personal life and her career. She loves to read, travel and do yoga but also enjoys going out with her friends and family.
