

Ana Salenko

Ana Salenko was born and raised in Ukraine; she is one of the most well known Ukrainian models. Ana had never considered modelling to be a viable career path (especially with a degree in finance!) so it came as a very unexpected opportunity - but she took it regardless and things started moving for Ana very fast.

Ana has since steadily worked across the board for a great variety of clients - not just in the Ukraine, but also on an International level, from New York City to London and Milan. Ana has been featured in Vogue and L'Officiel to name just a few publications. She is regularly seen at high profile events in Milan, Berlin, Paris and London - having worked in the industry as an established model for a long time.

Ana's social media presence reflects not only her career but of course her personal life; she loves sport and especially dancing. She is a professional and fun-loving model with a fast growing career.
